

The 2nd Annual Youth Forum

“...Empowering students with the confidence to make well-informed career choices and better position them selves for today's challenging and dynamic job market.”

IMPACT will host its 2nd Annual Youth Forum on January 4, 2008. Approximately 200 students from a range of private and public secondary schools in the Lagos metropolis and 20 panelists with diverse academic and professional backgrounds will participate in this year's forum.

Breakdown

- Day-long workshop consisting of 4 interactive panels focused on academic and career planning leadership development and tackling challenges.
- “Meet the Sponsors” - a session that allows selected. Sponsors to present their organization to attendees.
- Sponsor, Panelist & Student Lunch - an opportune moment for all attendees to interact informally and network.

Topics

IMPACT Youth Forum 2008 will focus on the following issues:

1. Getting into Top Universities - Only the beginning...

- a.) Leveraging the academic experience effectively for personal and professional growth.
- b.) Networking - Making the most of possible mentorship/networking opportunities.

2. More to Leadership than Titles

- a.) Being a leader is about effecting change in your community.

3. Seeing the bigger picture?

- a.) Creating the Platform to Positively Impact Society.

4. Defining Success

- c.) Demystifying the misconceptions that success has a singular path (looking beyond Medicine, Business and Law as the only paths to conventional success).
